

# MUGABE'S Zimbabwe LEGACY

***"And as it is appointed for men to die once, but after this the Judgment."***

Hebrews 9:27

## **It Is Appointed for Men to Die and Face Judgement**

To some the doctrine of Eternal Judgment is a great comfort. To others it is a terrifying concept. It is a fearful thing to fall into the hands of the Living God.

## **Man Knows Not His Time**

The world was informed that the longest ruling dictator in Africa, Marxist terrorist, Robert Mugabe died in a hospital in Singapore. How various people reacted to this news speaks volumes.

## **"A Perfect Human Being"**

EFF leader, Julius Malema called Mugabe a "Hero", "Liberator" and "a perfect human being"! "president" Emmerson Mnangagwa praised Mugabe as an "icon of liberation." "It is with the utmost sadness that I announce the passing on of Zimbabwe's founding father and former president Comrade Robert Mugabe." So said the new dictator who seized power from his previous leader in a 2017 coup.

## **Newspeak Propaganda**

Incredibly Mnangagwa described the deceased dictator as a "National hero!", "Comrade Mugabe was an icon of liberation, a pan-Africanist who dedicated his life to the emancipation and empowerment of his people. His contribution to the history of our nation and continent will never be forgotten. May his soul rest in eternal peace!" Calling Mugabe "a great teacher and mentor." And "a remarkable statesman of our century!" Mnangagwa instituted an official mourning period.

## **Facts Can Ruin a Good Story**

Riddled with so many lies and hypocrisies, this is worthy of study to refute every phrase. Marxists do not believe that man has a soul, nor do they believe in "eternal peace!" Mugabe's actual contribution was tyranny, brutality, cruelty, massacres, starvation, corruption, hyperinflation and the systematic destruction of a once safe, stable, productive country that used to be self-sufficient, even exporting food, to a disastrous basket state, beggar nation dependant on foreign aid and charity to even survive. More than half of all Zimbabweans have voted with their feet, a vote of no confidence in Mugabe's ZANU ruled failed state, by fleeing endemic corruption and brutality in Zimbabwe to neighbouring countries.

## **DA Leader Praises Murderous Dictator**

DA leader, Mmusi Maimane, sent his condolences to the family of "former President Mugabe. May his soul rest in peace." Mmusi Maimane claims to be a Christian and a democrat, yet he calls the brutal dictator "President" and assumes that "his soul [will] rest in peace!" DA leader, Mmusi Maimane also described Mugabe as "a liberator!" One wonders where Maimane has been since 1980? Has he not noticed the tragic destruction of neighbouring Zimbabwe under the despotic tyranny of ZANU and Mugabe?

## **Promised Paradise but Delivered Perdition**

The eulogies from leaders praising Robert Mugabe are in sharp contrast to the celebrations in Zimbabwe over the demise of the Marxist dictator, who promised them a paradise and delivered perdition. **"While they promise them liberty, they themselves are slaves of corruption; for by whom a person is overcome, by him also he is brought into bondage."** 2 Peter 2:19

## **Fake Leaders and Fake News**

The Fake Leaders and Fake News reports: "guerrilla leader", "hero", "liberated his people from colonialism", "instituted land reform"! Audacious, outrageous, deception and dishonesty are pervasive. The lamestream media has again disgraced itself as the purveyors of fake news and Marxist propaganda.

## Self-Serving and Selfish

Mugabe was not dedicated to “*emancipating and empowering*” the people of Zimbabwe! Mugabe was one of the most corrupt, self-serving and selfish leaders in history. Living in opulent decadence, feasting on giraffe meat while his destitute people starved. Mugabe enslaved and disempowered the people of Zimbabwe.

## Rhodesia Was Not a Colony

Yet, ANC president, Cyril Ramaphosa’s, described the despot as “*a champion of Africa’s cause against colonialism who inspired our own struggle against apartheid!*” Well, Mugabe never fought against colonialism because Rhodesia was not a colony. Rhodesia was a self-governing country from 1923, Independent from 1965 and a Republic from 1970. Rhodesia was self-funded from the beginning, providing its own security. Rhodesia never needed British funding, nor British troops. Rhodesia never needed any foreign aid.

## Mugabe Never Liberated Anybody

Mugabe waged a brutal terrorist war against black civilians, white farmers, Christian missionaries and Red Cross ambulance workers. Mugabe never liberated anybody. Mugabe was a Marxist terrorist, dictator and corrupt blood diamond criminal.

## Inspiration for the ANC

His communist corruption certainly inspired the ANC “*struggle*” for state capture gangster-state looting of our country though. Mugabe’s tactic of distracting attention from his government’s failures and atrocities, by making scapegoats of the small minority of whites and promising free land, also inspired the disastrous ANC policy of EWC (Expropriation Without Compensation).

## Insulting the Intelligence of their Readers

Western media have also insulted the intelligence of their readers, or viewers, with misleading reports like this Associated Press (AP) article: “*Former Zimbabwean leader, Robert Mugabe, an ex-guerrilla chief who took power when the African country shook off white minority rule and presided for decades white economic turmoil and human rights violations eroded its early promise has died in Singapore.*” AP writers, Farai Mutsaka and Cristopher Torchia claimed: “*Mugabe enjoyed strong support from Zimbabwe’s people...!*”

## Truth Does Not Fear Investigation

How can any journalist be so ill-informed, or dishonest, as to lie so blatantly! No, Mugabe did not enjoy popular support. Millions of Zimbabweans celebrated his fall from power. As another point of fact: Mugabe was never a guerrilla. Mugabe had the popular ZANLA guerrilla leader, Josiah Tongogara, murdered, 26 December 1979, so that he could lead ZANU. Mugabe was a politician, never a soldier, not even a guerrilla/insurgent.

## A Travesty of Justice

Nor did Mugabe “*take power*”, it was handed to him by British governor, Lord Soames (son-in-law of Winston Churchill), after a very flawed “*election*” where all agreed that, in terms of the Lancaster House Agreement, Mugabe’s ZANU should have been disqualified for its systematic “*intimidation*” (terrorism) of the voters and flagrant violations of the accord and electoral code of conduct. As Ian Smith declared: “*We were never defeated by our enemies, we were betrayed by our friends.*”

## Reality vs. Rhetoric

Most importantly, Mugabe was not an innocent victim of “*economic turmoil and human rights violations*”! Mugabe was the prime human agent responsible for the socialist policies which destroyed the robust economy inherited from Rhodesia. Mugabe initiated the communist revolution that violated human rights, including the *Gukurahundi* massacres of tens-of-thousands of civilians in Matabeleland, the chaotic farm invasions, the blood diamond wars in the Congo and Zimbabwe’s own blood diamond scandals in the Marange diamond fields, South East of Zimbabwe, since 2008. “***Destructive forces are at work in the city, threats and lies never leave its streets.***” Psalm 55:11

## Learning from the Mistakes of Others

At “*independence*”, Mugabe declared to Newsweek: “*We are not going to make the same mistakes the rest of Black Africa has made. We are going to learn from their mistakes.*” It is hard to think of anything he learned... except how to lie, steal, cheat and murder. What mistakes, or crimes, did Mugabe fail to implement?

## Corruption, Brutality, Starvation and Disease

Starvation, disease, corruption and brutality were the hallmarks of Mugabe’s Marxist ZANU in Zimbabwe. Hospitals ran out of medicine. Shops ran out of food. Fuel stations ran out of petrol. Banks ran out of money. Water failed to flow through the pipes. Electricity power failures became the norm. Tuberculosis, HIV, Cholera and Malaria spread like wildfire. Zimbabwe’s cholera

epidemic reached 10 X (1,000%) the African average, according to the World Health Organisation (WHO). Zimbabwean life expectancy plummeted under Mugabe, from over 60 years in 1980, to 37 years for men and 34 years for women by 2006, the lowest in the world.

### Ignoring Disastrous Track Record

Yet, despite his disastrous track record, Mugabe was elected president of the Southern African Development Community (SADC), Chairman of the African Union (AU and UN "Goodwill Ambassador" for the World Health Organisation (WHO)! The intense suffering of the people of Zimbabwe apparently did not matter to the AU, UN, SADC, or CNN and the BBC for that matter.

### Truth is Stranger than Fiction

It all sounds like a bizarre Monty Python comic satire. The lunatics are running the asylum. If this was part of a scripted plot in a fiction film or book, it would be dismissed as: "Unbelievable!"

### Why was Mugabe in a Hospital in Singapore?

The fact that Mugabe died in a hospital in Singapore is most revealing. Mugabe and his destructive socialist policies had so destroyed the once advanced and excellent hospitals built up by Rhodesia that he had to fly to previous British colony Singapore where free enterprise provides better health care than any socialist state. Why did Mugabe not go to a Zimbabwean hospital? Or, a communist state? Or, at least an African hospital? Why Singapore, far away in Asia? What an indictment on the catastrophic communist failure of Mugabe and ZANU!

### The Bolshevik Broadcasting Corporation

Yet, as they once praised Joseph Stalin, Mao Tse Tung and Fidel Castro, the BBC gushed with ridiculous praise for Mugabe: "broadening access to health care and education for the black majority!" Are there no genuine investigative journalists left at the BBC? As anyone who has actually lived in Zimbabwe could testify: Mugabe's thugs looted hospitals, closed hospitals, burned schools, beat up teachers, kidnapped and brutalised students and closed schools. The health care and education standards were vastly better for black people in Rhodesia. Zimbabwe became a failed state under Mugabe lowering life expectancy to almost half that of Rhodesia and taking a country with the lowest

unemployment in Africa (under 4%) to the highest, 95% unemployment! That was even after half the population had fled the country! "**You shall know the truth and the truth shall set you free.**" John 8:32. "**Hate evil, love good, establish justice in the gate...**" Amos 5:15

### Blasphemous Bolshevick False Prophet

Mugabe blasphemously boasted that he had beaten Jesus Christ, by rising from the dead more times than Christ, who had only risen from the dead once! Jesus is the Resurrection and the Life. "**When Justice is done, it brings joy to the righteous but terror to evildoers.**" Proverbs 21:15. It is a fearful thing to fall into the hands of the Living God.

### Witnessing to Mugabe

I have been asked: "Have you shared the Gospel with Mugabe?" Yes, we have. I have written to him and one of our Board Members, Bishop Bwanali Phiri, met with and prayed with Robert Mugabe and presented him with the gift of a Bible.

### How Are We as Believers to Respond to Death?

The Bible mandates capital punishment for murder, rape and kidnapping. Believers are to pray the imprecatory Psalms of justice against the wicked. God will ensure justice in eternity. "**For I, the Lord, love justice. I hate robbery.**" Isaiah 61:8

### The Choices Before Us

We are in the middle of a world war of worldviews. A battle for the mind. A battle for the heart. A battle for the future. The choice before us is clear: The lies of the world, or the truth of the Word of God? Indoctrination or education? Communism or Christianity? The broad road to destruction, or the narrow way to life? Heaven or hell? The grace of God, or the wrath of God?

Is Jesus Christ your Saviour and Lord?

If not, He will be your Judge.

**"It is appointed unto men once to die and after that to face Judgement..."** Hebrews 9:27
