*"I will build My Church and the gates of hades shall not prevail against it." Matthew 16:18*

Christians in the Nuba Mountains of South Kordofan have been targeted by deadly air strikes and ground attacks. Muslim militia shouting "Allah Akbar" have opened fire at congregations gathered for worship. Nubans have fled to the Mountains & are hiding in caves. Although geographically linked to the North, Abyei, South Kordofan and Blue Nile are culturally and politically aligned with the South. These areas are predominantly non-Arab and non-Muslim. However, the Islamic regime in Khartoum wants the oil reserves in Abyei and South Kordofan and the water of the Blue Nile. Therefore it has done everything in its power to prevent their exercising the right to self-determination.
